Global Union

## IndustriALL Global Union

represents **50 million workers** in  
**140 countries** in the following sectors:

- extraction of oil and gas
- mining, diamonds and gems
- generation and distribution of electric power
- base metals
- shipbuilding and shipbreaking
- automotive
- aerospace
- mechanical engineering
- ICT, electrical and electronics
- chemicals
- rubber
- pulp and paper
- building materials
- textiles, garments, leather and footwear
- industrial and environmental services

## IndustriALL Global Union

**IndustriALL Global Union**, created in June 2012, is a new force in international solidarity taking up the fight for better working conditions and trade union rights around the world.

With your help, **IndustriALL** will challenge the power of multinational companies and negotiate with them on a global level.

With your strength, **IndustriALL** will fight for another model of globalization and a new economic and social model that puts people first, based on democracy and social justice.
