Key			Sustainable Industrial Policy & Industry 4.0
INDUSTRY			Health & Safety
ISSUE			MENA
REGION			South/SE Europe

Supply chain focus

Stronger focus on organising in supply chains, especially in:

- Textile & Garment
- Electronics
- Auto
- Aerospace

GFAs

ILO supply chain discussion

Projects

Better integration of project work with other regional work

Greater involvement of Regional Secretaries and Industrial Department Directors in project planning and implementation

Fewer projects with more flexibility

Continue focus on union building, organizing and unity

Electronics

Organising project year 4/5

- Indonesia
- Malaysia
- Thailand
- Vietnam
- Philippines
- Taiwan-ROC

Build on achievements:

*Training, mapping,
organizing targets, CBAs,
women's participation*

Living wage

Precarious work

Continue to integrate precarious work project activities with work of country councils and industrial sectors
