Subject: Letter of support workers in Mexico: -

Dear workers of Mexico

Independent Trade Union of Workers of chemistry and nonmetals in the Federation of Bosnia and Herzegovina this letter of support he wants above all to show their dissatisfaction and strongly oppose the reform of labor legislation that is currently in parliamentary procedure in your country.

We want you to know that the Independent Trade Union of Workers of chemistry and nonmetals in in the Federation of Bosnia and Herzegovina with you and to persevere in battle and accomplishing your union rights, and will provide their support in all aspects of trade union struggles and conducting trade union activities.

Workers of Mexico, you are not alone, you are with your colleagues from Bosnia and Herzegovina, and because you know that you can always count on us and our support.

Together to achieve union goals!

President Independent Trade Unions  
Workers chemistry and nonmetals in  
Federation of Bosnia and Herzegovina
