

OWENS-ILLINOIS GLOBAL GLASS CONFERENCE

RESOLUTION, NOV. 13, 2018

WHEREAS the labour movement must unite in the face of global capital in the form of global alliances and;

WHEREAS IndustriALL Global Union has become an important implement of mobilization for trade unions and workers across the globe and;

WHEREAS by taking advantage of communication technology dozens of networks have emerged, of which the leaders and activists working for Owens-Illinois ("OI") are one and;

WHEREAS employees of OI in several countries have been embroiled in labour disputes and some of these cannot be solved on a local, regional or national level

THEREFORE BE IT RESOLVED:

1. The OI network takes appropriate action to make workers aware of the struggles faced by workers wherever they occur.
2. The network organizes and facilitates calls, correspondence and other pressure tactics to the persons responsible at the corporate levels of OI.
3. The OI network organizes a day or days of action in a coordinated way involving workers at OI facilities all over the world to protest if the company mistreats workers.
4. That IndustriALL Global Union and similar bodies denounce the use of precarious or other non-permanent labour.
5. To seek the support and guidance of IndustriALL Global Union and similar bodies towards these tasks and goals.
6. The network continues to operate and will call for future activities and meetings whenever necessary.
7. The OI-Network will demand from the company management to enter into social dialogue with the OI-Network and IndustriALL Global Union
