# Agreement between SCA and ICEM / Pappers / SCA EWC

### **Preamble**

The aim of this agreement is to promote cooperation and social responsibility within SCA's world-wide operations. Cooperation is built upon mutual respect, confidence and freely available and honest information, and ensures the possibility for employees and their representatives to influence decisions through consultation with SCA management. Promoting social responsibility includes important principles concerning human and trade union rights, as well as improving health and safety in the workplace and environmental protection.

This agreement covers all activities where SCA has direct control. Where SCA does not have direct control, it will exercise its best efforts in order to secure compliance with the standards set out in this agreement. SCA will notify its subcontractors and licensees of this agreement and encourage compliance with the standards.

The parties to this agreement are SCA, the Swedish Paperworkers Union (Svenska Pappersindustriarbetareförbundet – 'Pappers'), the International Federation of Chemical, Energy, Mine and General Workers' Unions (ICEM) and SCA EWC.
