

International Framework Agreement between SAAB AB and employee representatives Organisations in Saab AB and IF Metall and Industri All Global

The Saab group is dedicated to being a responsible employer and a good corporate citizen. We strive for continuous improvement with sustainability as a core concern in all our operations. All our activities – including the manufacture, distribution and sale of our products – must be conducted with respect and consideration for human rights, for human safety and health and for the environment. The agreement is based on Saab Code of Conduct, including those of the international Labour Organization and the OECD Guidelines for Multinational Enterprises.

It is the responsibility of relevant employees and management to ensure compliance with this International Framework Agreement and the Code of Conduct of Saab. In incidents of non-compliance, employees are encouraged and expected to report this to relevant internal officers, and are assured that there will be no retaliation or other negative consequences.

This International Framework Agreement contains the following provisions reflected in the Code of Conduct of Saab.

Workplace Requirements:

The Code of Conduct of Saab is applicable to all locations and units within the Saab-group.

Laws and regulations:

All units within Saab, suppliers and subcontractors shall operate in full compliance with relevant laws and regulations.

Suppliers and subcontractors:

Suppliers to the extent relevant and/or appropriate shall agree to comply with the Code of Conduct of Saab.
