

GENERAL STRIKE MOURNING FOR ANKARA MASSACRE

**WE ARE IN DEEP SORROW, ANGER, MOURN AND PROTEST
WE WILL BE ON STRIKE ON OCTOBER 12-13,2015**

We had gathered today in Ankara for "Labor, Peace and Democracy Rally and Meeting".

We had come from all around Turkey.

We had come to cry for demanding labor, peace and democracy.

We had come to be the voice of unemployed masses public workers, poor and suffering people.

We had come to say "No To War, Peace Right Now".

We had come to say, "Stop" to those who shed blood for splendor of Palace

We had come to defend peace against war, freedom and democracy against oppression and violence, struggle of labor against corruption, theft and exploitation.

We had come to attend a legal and completely peaceful meeting, which was approved by Governorship of Ankara.

They blasted the bombs when we started our rally to meeting area with our songs, dances, banners and enthusiasm

Bombs were blasted in Ankara, heart of Turkey, in front of thousands policemen.

We are in deep sorrow, anger, mourning and protest.

No one should dare to tell us this massacre is obscure.

We know these bombs.

We know them from the bombings in Adana and Mersin on May 18,in Diyarbakır on June 5,in Suruç on June 20.We know that they are from the "same series. "

We know the murderers.

The murderers are those whose who could not realize their presidential system desires in the elections held on June 7.

The murderers are those who force the country to civil war because they could not get 400 seats in Parliament.

The murderers are those who want to be successful in the elections that will be held on November 1 with terror and horror.

The murderers are those who convert the country to blood lake with their weapons, armor cars and tanks.

We know what they want:

They want to frighten us and target pacification so that they can continue their oppression and theft system.

They want to break and destroy the will of millions of people who resist the dictatorship since the uprising in Gezi.

They want to continue their rulership in their illegal palace.

We are addressing who shed blood to "Labor, Peace and Democracy Rally and Meeting"

DESPITE YOUR WILDNESS, VIOLENCE, MASSACRES, WE WOULD NOT GIVE UP DEFENDING LIVING TOGETHER IN PEACE IN AN EQUAL, FREE AND DEMOCRATIC COUNTRY!

We are addressing those who want to frighten and squelch us

WE WILL NOT GET SCARED, GIVE UP, FORGET AND FORGIVE.

THEY WILL BE DROWNING IN THE BLOOD THAT YOU HAVE SHED.

To memorialize our friends who lost their lives, to protest fascist massacre, we will be in mourn for three days. We will be on strike all around Turkey on October 12-13,2015.

We call for the support and participation of all Trade Unions, all Professional Organizations, all political parties, and all workers regardless of their trade unions, all public employees, all citizens who defend humanity.
